**Public Notice**

Our school upgraded our Interactive White-boards in September last year. We now have a number of Smart-boards (IBs) and older projectors available for public tender. Smart-boards can be used as a display screen, they have stereo speakers, but do need computer software to be interactive. Please note that these sales will mean you are purchasing the items as is. Walloon State School is not responsible for the condition or upkeep after purchase.

If you would like to place a tender in writing for an IB or a projector, please submit your offer to Carol in the Office by next Wednesday, March 8th, 3.00pm. Highest offers will be considered. Successful tenders will be notified by the principal.

Many Thanks:
Walloon State School would like to give a big shout out to Mr John Moman and the Walloon IGA Team for their recent generous donation to the P & C Committee through the Community Chest Fund. Walloon IGA have supported the school for many years with donations for goods and for a variety of events and occasions and for that we are truly grateful. We received a cheque of $200 to put towards our LED notice board that we hope will be one of our many projects completed for 2017.

Thank you!
P & C Committee
