

CURRICULUM SNAPSHOT

Year 2

*Term 2
2025*

English

Students engage with a variety of informative texts incorporating texts by First Nations Australian, Australian and world authors. These may include reports, reviews, procedures, biographies and autobiographies.

Students explore content about a wide range of topics of interest or topics being studied in other curriculum areas.

They identify text structures and features including headings, timelines and images and how these inform the reader and improve access to the information in texts.

Students create a report to present to an audience.

Maths

Prime Maths is a world class program based on top-performing schools in Singapore, Republic of Korea and Hong Kong. The program covers the six strands of mathematics: Number, Algebra, Measurement, Space, Statistics and Probability. It is aligned to the Australian Curriculum: Mathematics Version 9.

Science

Not assessed in this term for Biological Sciences.

HASS

Not taught or assessed in this term.

Health and PE

Students will apply fundamental movement skills in different movement situations and explain how they move with objects and in space effectively.

The Arts

Not taught or assessed in this term.

Technologies

Old vs. New: First Nations Design and Technologies

Students will learn how First Nations Designs and Technologies helped maintain and sustain their environment pre-colonisation, and how we can lean on this knowledge to create sustainable environments today.
